

Bristol Harbor Group, Inc. Designed Deck Barge to be Built by Trinity Marine Products, Inc.

Bristol, RI – February 8th, 2010 - Argosy Transportation Group, Inc., Bellaire, TX, has signed a contract with Trinity Marine Products, Inc., Madisonville, LA, to build the *Jean-M 2501*, a 250' x 54' x 12' inland deck barge. The vessel, designed by Bristol Harbor Group, Inc. (BHGI), will have a 3,000 Pound per Square Foot (PSF) maximum allowable deck load, and will primarily service the inland project cargo market.

In a quote from Rider Griswold, President of Argosy Transportation Group, Inc., "we're excited to be moving forward with this, our second, purpose built deck barge for project cargo movements. The *Jean-M* represents a significant increase in our cargo movement capabilities and will be a welcome addition to our fleet."

Argosy has chosen BHGI's Houston affiliate, Bristol Harbor Group South, Inc. (BHGS), to oversee construction of the barge at Trinity Marine Products, Inc. Russell Bostock, BHGS Manager of Marine Surveying, will be personally attending the vessel during construction in the first half of 2010. Delivery is expected in early July 2010.

BHGI and BHGS together provide naval architecture, marine engineering and construction oversight services to a wide variety of customers. Commercial work includes small passenger vessels, oil and deck barges, tugboats, patrol vessels and offshore supply boats. Recreational vessel work includes mega yachts as well as powerboats and sailboats. BHGI is located at 103 Poppasquash Road in Bristol, RI, and the management team of BHGI can be contacted by phone at 401-253-4318, or visit their website: www.bristolharborgroup.com. BHGS is located at 4747 Bellaire Blvd, Suite 275, Bellaire, TX, and their management team can be contacted by phone at 713-343-8603, or you can visit their website: www.bhgsouth.com.
